SMARTER PAYMENT PROCESSING
An i3 Verticals Company

A SMARTER WAY TO ACCEPT CREDIT CARD PAYMENTS

A processing partner who understands your card acceptance environment is key. Infintech, RICS' partner, is an expert in payment processing solutions and makes it easier and more cost-effective to run your business.

- ✓ Reliable EMV Chip Card Solutions
- ✓ Streamlined Setup Process
- ✓ Competitive Rates
- ✓ Full Integration through RICS
- ✓ Dedicated Service and Support
- ✓ Simple Daily Deposit Reconciliation

IMPROVE YOUR PROCESSING IN JUST 10 DAYS

1. RICS Software will refer you to Infintech
2. Ken Harwell will contact you to discuss your options
3. Infintech will complete a cost analysis in 48 hours
4. Infintech will process your application in 72 hours
5. You're activated within 5 days of approval

Making the switch to Infintech will improve your bottom line with minimal effort.

DON'T JUST TAKE OUR WORD FOR IT:

“*Converting to Infintech has allowed our stores to easily move from a standalone credit card terminal solution to an integrated EMV processing solution with RICS Software and Infintech. Working with Ken was easy and he made the transition so smooth and painless.*”

— Tiffany Johnson, Co-Owner of A Snail's Pace
