This **Master Service Agreement**, any applicable Order Forms, Exhibits, and/or Addenda hereto (collectively, the “**Agreement**”) is a legal agreement between you (“**Client**”) and **Company** (defined below) to purchase access to the **Company Platforms** (defined below) and the related subscription services and other services that Company may provide to Client in an Order Form (defined below) (collectively, the “**Services**”). This Agreement governs the use of the Services Company provides to you. Capitalized terms used but not defined herein shall have the meanings ascribed to them in any applicable Order Form.

“**Company**” means RICS Software Inc., a subsidiary of Fullsteam Operations LLC.

“**Order Form**” means a separate ordering agreement (including but not limited to a statement of work, proposal, or change order), or page on the Site pursuant to which Client purchases Services.

“**Company Platforms**” means collectively and individually, <https://www.ricssoftware.com/> and any of their subdomains (collectively, the “**Site**”) and any websites, platforms, exchanges, successor platforms and exchanges, software, hardware, portals, applications, and Application Programming Interfaces (“**API**”s), programs, components, functions, screen designs, reporting data, and report formats owned or operated by Company and all updates, upgrades, and other derivative works, releases, fixes, patches, etc. related to the software that Company develops, deploys, or makes available to Client during the Term of this Agreement, as they may be modified, relocated and/or redirected from time to time, to receive, or review data and results of the Services.

BY ACCESSING OR USING THE SERVICES OR ENTERING INTO AN ORDER FORM HEREUNDER, YOU REPRESENT THAT YOU ARE AUTHORIZED TO ACCEPT THIS AGREEMENT ON CLIENT’S BEHALF, AND YOU ACCEPT THE TERMS AND CONDITIONS OF THIS AGREEMENT AND THE TERMS AND CONDITIONS OF COMPANY’S [PRIVACY POLICY](#). IF YOU DO NOT ACCEPT ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT OR ARE NOT AUTHORIZED TO ACCEPT THIS AGREEMENT ON CLIENT’S BEHALF, THEN YOU ARE NOT AUTHORIZED TO AND ARE PROHIBITED FROM ACCESSING THE SERVICES. THE SERVICES ARE OFFERED AND AVAILABLE TO USERS WHO ARE EIGHTEEN (18) YEARS OF AGE OR OLDER. BY USING THE SERVICES, YOU REPRESENT AND WARRANT THAT YOU ARE OF LEGAL AGE TO FORM A BINDING CONTRACT WITH COMPANY AND MEET ALL OF THE FOREGOING ELIGIBILITY REQUIREMENTS. IF YOU DO NOT MEET ALL OF THESE REQUIREMENTS, YOU MUST NOT ACCESS OR USE THE SERVICES.

In the event there is any conflict between the terms and conditions in this Master Service Agreement and the terms and conditions in any applicable Order Form, the terms of the Order Form shall prevail.

The “**Effective Date**” of this Agreement is the date which is the earlier of (a) Client’s initial access to the Services through any online provisioning, registration, or order process, or (b) the effective date of the first Order Form. This Agreement governs Client’s initial purchase of Services on the Effective Date as well as any future purchases made by Client that reference this Agreement.

1. SERVICES AND TERMS.

1.1. **Grant of Access.** Subject to the terms and conditions of this Agreement, the Company grants to Client a limited, non-exclusive, revocable, non-transferable, and non-sublicensable right for Client’s authorized employees, agents, representatives, consultants, and contractors (“**Authorized Users**” or “**User**”) to access and use the Services described in an applicable Order Form during the Term of the Order Form for Client’s internal business purposes only in accordance with the Documentation (as defined below)

and, if the Client is a franchisor and Client is specifically permitted in the applicable Order Form, to sub-license the Services to its franchisees and their respective employees, contractors, agents, and affiliates (the “Franchisees”), for the same business and no other purpose whatsoever. The Services may allow Client to designate different types of Authorized Users, which may have different pricing, functionality, and use restrictions, as described on the Site, in the Documentation, or in the applicable Order Form. Each Authorized User must keep its login credentials confidential and not share them with anyone else. Client is responsible for its Authorized Users’ compliance with this Agreement and actions taken through their accounts. This Agreement does not permit access to the Services by persons who are not Authorized Users.

1.2. **Reservation of Rights.** Access to the Services is provided on a limited term and Services basis. All rights not specifically granted to Client hereunder are reserved by Company. Nothing herein shall prevent the Company from promoting, providing, licensing, sub-licensing or subcontracting the Services or providing the Services to other parties. Client shall promptly notify Company of any determination, discovery, or notification that any person or entity is or may be misusing or infringing the Services, including without limitation if it becomes aware of any compromise of its Authorized Users’ login credentials.

1.3. **Professional Service Deliverables.** All work product, customizations, improvements, and/or enhancements to the Services performed by Company for Client pursuant to this Agreement or as identified on any separate Order Form executed by the parties (collectively, “**Professional Service Deliverables**”), shall be owned exclusively by Company, unless otherwise provided in the corresponding Order Form. If, by operation of law or otherwise, any Professional Service Deliverables are not owned exclusively by Company immediately upon creation thereof, Client agrees to assign, and hereby irrevocably assigns, to the Company exclusive ownership of such Professional Service Deliverables and expressly disclaims any ownership rights thereto. Client will cooperate with the Company to confirm and/or execute such assignments and Company’s ownership of Professional Service Deliverables.

1.4. **Feedback.** If Client provides the Company with feedback or suggestions regarding the Services (“**Feedback**”), Company may use Feedback without restriction or obligation. In addition, Client hereby irrevocably assigns ownership of any and all Feedback to Company and will cooperate with Company to confirm and/or execute such assignments and Company ownership of Feedback.

1.5. **Anonymized Data.** As between Client and Company, Company owns all rights, title, and interest in and to information which does not relate to an identified or identifiable natural person, or personal information rendered anonymous in such a manner that the natural person is not or no longer is identifiable (“**Anonymized Data**”). Accordingly, Company may, during the Term and thereafter, use, display, transmit, modify and prepare derivative works of Anonymized Data in any media for any lawful purpose, including maintaining and improving the Services.

1.6. **Third-Party Providers.** Client’s use of any platform, add-on, service, code (including open source) or product not provided by Company that Client chooses to integrate or enable for use with the Services (“**Third-Party Provider**”) shall be subject to the terms and conditions of Client’s agreement with such third party, and Client is solely responsible for its compliance with such terms and conditions. Client acknowledges that Company does not control, is not responsible for, and will not be liable in any way for Client’s use of any Third-Party Provider or any damage or loss resulting from Client’s access to, use of, or interaction with, any Third-Party Providers. Client further acknowledges that any Client data loss, downtime or periodic unavailability of the Services due to Third-Party Providers’ system maintenance, upgrades, or any other reason is outside of Company’s control. The foregoing does not exclude or limit Client’s right to pursue any remedies directly against a Third-Party Provider.

1.7. **Documentation.** Subject to the terms and conditions of this Agreement, Company grants to Client a limited, non-exclusive, non-transferable, revocable, and non-sublicensable right and license to use and make copies of the usage guidelines and standard technical documentation for the Services as may be provided or made available online or in writing by the Company (“**Documentation**”). Documentation is for Client’s internal use only, for archival purposes, and for training and education of Authorized Users, provided that all proprietary notices of the Company and its licensors, if any, are reproduced and retained. Company reserves the right to modify the Documentation in Company’s sole determination without prior notice to Client.

2. **PROHIBITIONS.** Use of and access to the Services is permitted only by Client and its Authorized Users. Under no circumstances may Client or any Authorized User modify, decompile, reverse compile, disassemble, reverse engineer, decrypt, or otherwise seek to recreate the source code of the Services, modify or adapt the Services in any way, use the Services to create a derivative work, or grant any other person or entity the right or access to do so, without the Company’s advance written consent. Except as expressly authorized by this Agreement, and without limiting the foregoing, Client and Authorized Users represent and warrant that they will not (a) modify, copy, duplicate, reproduce, unbundle, license, sublicense, sell, assign, transfer, display, distribute, lend, rent, lease, sublease, or make available the Services or any portion thereof to any third party; (b) provide, transmit, disclose, divulge, or make available to, or permit use of the Services by, any third party or entity or machine; (c) use the Services in a service bureau, out-sourcing or other arrangement to process or administer data on behalf of any third party; (d) publish, post, upload, or otherwise transmit any unlawful, false, offensive, defamatory, or infringing data or any data that contains any viruses, Trojan horses, worms, time bombs, corrupted files or other computer programming routines that damage, detrimentally interfere with, surreptitiously intercept, or expropriate any systems, data, personal information, or property of another; (e) use or knowingly permit the use of any security testing tools in order to prove, scan, or attempt to penetrate or ascertain the security of Company or the Services without the prior written consent of Company; (f) attempt to gain any unauthorized access to the Services or Company customer data or attempt any unauthorized alteration or modification thereof; (g) use or launch, or knowingly permit the use or launch of, any automated system, including, without limitation, “robots,” “spiders,” or “offline readers,” that access the Services; or (h) use the Services or the information contained therein in violation of any applicable law or regulation.

3. **SUSPENSION.** Company may, at its sole discretion, suspend Client’s and/or Authorized Users’ use of the Services (in whole or in part) if Company determines that (a) Client or Authorized Users breaches any terms of this Agreement including the applicable Order Form, (b) Client’s account is thirty (30) days or more overdue for payment after being notified, or (c) Client’s or Authorized Users’ use of the Services risks harm to other customers of Company or the security, availability, or integrity of the Services.

4. **CLIENT DATA.**

4.1. **Client Data.** Use of the Services may involve the Company’s receipt, processing, and storage of data, information, or material input by Client, Authorized Users, and Client’s end user customers who use the Services (“**End Users**”) (collectively, “**Client Data**”). Client affirms, represents, and warrants that Client owns or has the necessary licenses, rights, consents, and permissions to collect, use, and authorize Company to use all Client Data in the manner contemplated hereunder and to transfer to and process such Client Data. Client further represents and warrants that Company’s use of Client Data does not and will not violate or infringe any applicable law, any third-party rights, or any terms or privacy policies that apply to the Client Data.

4.2. **License to Client Data.** Client hereby grants the Company the worldwide, non-exclusive, right to use, copy, store, transmit, display, modify and create derivative works of Client Data, as necessary to provide the Services under this Agreement.

4.3. **Accuracy of Client Data.** Client is solely responsible for the accuracy, content, currency, completeness, and delivery of the Client Data provided by Client, Authorized Users, and Client's End Users.

4.4. **Return of Client Data.** Upon termination or expiration of this Agreement, or at Client's request, Company shall provide access to all Client Data in a commonly used machine-readable format or such other format as agreed by Client and Company. Company shall provide access to the Client Data for no more than thirty (30) days after the termination or expiration of the Agreement. After this thirty (30) day period, Company may delete Client Data in accordance with its standard schedule and procedures.

5. PAYMENT.

5.1. **Fees and Expenses.** Client's use of the Services is subject to prompt payment of all fees and other amounts, including without limitation, expenses ("**Fees**") as described in each applicable Order Form. Any payments made via check may be subject to a \$25 processing fee. Company may adjust Fees at any time with thirty (30) days' notice. Unless the Order Form provides otherwise, Company will send Client an invoice for all Fees owed on a monthly basis, and all Fees not subject to a good faith dispute are due upon invoice. To the extent that Client disputes any invoice, Client must provide Company notice of such dispute in writing within ten (10) business days of the invoice date, or Client shall waive any claim with respect to such invoice. Late payments are subject to a service charge of 1.5% per month (18% per annum), or the maximum amount allowed by law, whichever is more. All Fees are nonrefundable and non-cancellable, except as expressly provided in this Agreement, and are exclusive of taxes. In the event of nonpayment or any shortfall in Fees paid, Client authorizes Company and its Affiliates (defined below) to increase fees, dues, assessments, and/or debit any of Client's accounts with Company or Company's Affiliates, including those accounts associated with a payment processing agreement between Client and Affiliate. As used in this Section, "**Affiliate**" of a party means any corporation or other entity that such party directly or indirectly controls, is controlled by, or is under common control with. In this context, a party "controls" a corporation or other entity if it or any combination of it or any combination of it and/or its Affiliates owns more than fifty percent (50%) of the voting rights for (i) the board of directors, or (ii) other mechanism of control for such corporation or other entity.

5.2. **Taxes.** Client is responsible for any sales, use, goods and services taxes (GST), harmonized sales taxes (HST), value-added, withholding or similar taxes or levies that apply to any Order Form, whether domestic or foreign ("**Taxes**"), other than Company's income tax. If Company is legally obligated to pay or collect Taxes for which Client is responsible under this Agreement, the appropriate amount will be computed based on Client's address listed in the Order Form, unless Client provides Company with a valid tax exemption certificate authorized by the appropriate taxing authority. Fees listed on or invoiced pursuant to an Order Form are exclusive of Taxes.

6. CLIENT OBLIGATIONS.

6.1. **Client Contact.** Client will cooperate with Company in all matters relating to the Services and appoint a primary contact who will have the authority to act on behalf of Client for matters pertaining to this Agreement. Client will provide access to Client's premises, or access to Client Data, reasonably

needed for Company to perform the Services. If Client fails to do so, Company's obligation to provide the Services will be excused until access is provided, and the parties agree on an updated timeline.

6.2. **Client Requirements.** Client shall be responsible for providing and maintaining all necessary hardware, software, electrical and other physical requirements for Client's use of the Services, including, without limitation, telecommunications and internet access connections and links, web browsers or other equipment, programs and services required to access and use the Services.

6.3. **Accessibility.** As it relates to Client's use of the Services, Client is solely responsible for compliance with all applicable accessibility laws, rules, and regulations, including, but not limited to, Title III of the Americans with Disabilities Act ("ADA"), and (if applicable) New York's state and city level Human Rights Act and California's Unruh Civil Rights Act.

6.4. **Acceptable Use Policy.** Client is solely responsible for the content of any postings, communications, data, or transmissions using the Services, or any other use of the Services by Client or by any person or entity Client permits to access the Services. To the extent the Services allows uploading or posting of content or data by Client, Authorized Users, or End Users, Client will ensure that any content or data posted by or on behalf of Client, Authorized Users, or End Users is not inappropriate, illegal, obscene, threatening, libelous, discriminatory, hateful, or in violation of any third-party rights. If and to the extent the Services includes, integrates or links to any third party content, data or software, including without limitation any open source services (collectively, "**Third Party Content**"), Client acknowledges and agrees that (a) Company is not responsible for any Third Party Content and it is provided as is; and (b) any Third Party Content may be subject to additional terms and conditions (including applicable terms of use, privacy policies, end user license terms, etc., for which Client shall be responsible for agreeing to and complying with. Client represents and warrants that it will: (a) not use the Services in a manner that is prohibited by any law or regulation, or to facilitate the violation of any law or regulation; (b) not violate or tamper with the security of any Company computer equipment or program. If Company has reasonable grounds to believe that Client is utilizing the Services for any illegal or disruptive purpose, Company may suspend the Services immediately with or without notice to Client. Company may terminate the Agreement for breach of this Agreement if Client fails to adhere to the foregoing acceptable use standards. Client shall defend, indemnify and hold harmless Company from and against all liabilities and costs (including reasonable attorneys' fees) arising from any and all third-party claims based upon the content of any such communications.

6.5. **Calls and Messaging.** If the Services include email, calling, and/or text messaging features which enable Client to text third parties via the Services, Client is solely responsible for ensuring that the email, calling and/or text message feature(s) of the Services are utilized in a manner that complies with all applicable local, state, and federal laws, rules and regulations governing the sending of emails, calls, and/or text messages. This includes, but is not limited to, compliance with applicable email and telemarketing laws such as the CAN-SPAM Act and Telephone Consumer Protection Act ("TCPA"), 47 U.S.C. § 227, the EU ePrivacy Regulation, and comparable state laws. Client also represents and warrants that each third party to whom Client calls or texts has specifically granted Client permission to send such messaging; and that opt-out options are provided to such third parties pursuant to applicable law, rule, or regulation. Client is solely responsible for the content of any messaging by Client via the Services to third parties, and under no circumstances shall Company be identified by Client as the sender of such messaging. Client

acknowledges it is responsible for obtaining any and all permissions required to use the Services' calls, text messaging, or email features.

6.6. Payment Processing. Unless otherwise stated in an applicable Order Form, Client must be enrolled in and processing payments through Company's integrated payments processing platform within sixty (60) days of the Effective Date of this Agreement. If Client does not process payments through Company's integrated payment solution within the required timeframe, Company, in its sole discretion, may delay or remove access to the Services, restrict certain Services product features, increase Fees and/or charge a non-integrated payment processing fee unless Company determines that Client qualifies for a temporary or ongoing exemption (in whole or in part). Client acknowledges that Company may delay access or restrict access to certain product features or the Services altogether for non-compliance within the required timeframe. Company reserves the right to apply non-integration payment processing fees in its sole discretion to Client or Franchisee, and to apply, modify, increase, decrease the non-integration payment processing fee at any time.

7. SECURITY AND PRIVACY; DATA PROCESSING. Company shall use reasonable and appropriate administrative, physical, and technical security programs and procedures designed to protect and secure the Services and Client Data. Client agrees to use reasonable efforts to prevent unauthorized persons from having access to the Services or any equipment providing the Services. Company and Client agree to notify the other party promptly upon becoming aware of any unauthorized access or use of the Services or Client Data by any third party. Client Data may be stored and processed in the United States or any other country in which Company or its service providers maintain facilities. If you are located in the European Union or other regions with laws governing data collection and use that may differ from U.S. law, please note that we may transfer information, including personal information, to a country and jurisdiction that does not have the same data protection laws as your jurisdiction, and you consent to the transfer, use, and disclosure of Client Data to the U.S. or any other country in which Company, Company's Affiliates, or its service providers maintain facilities

8. TERM AND TERMINATION.

8.1. Term. This Agreement starts on the Effective Date and continues until expiration or termination of all applicable Order Forms or until terminated as authorized in this Agreement, whichever occurs first (the "Term"). Unless otherwise set forth in the Order Form, the Agreement shall begin on the Effective Date and shall continue for twelve (12) months thereafter (the "Initial Term"). After the Initial Term, the term of the Agreement shall automatically renew for additional, successive twelve (12) month terms unless either party provides written notice of termination to the other party no less than ninety (90) days prior to the end of the then current term.

8.2. Termination. Either party may terminate this Agreement (including all Order Forms) if the other party (a) fails to cure a material breach of this Agreement (including a failure to pay Fees) within thirty (30) days after receipt of written notice of such breach by the other party, (b) ceases operation without a successor, or (c) seeks protection under a bankruptcy, receivership, trust deed, creditors' arrangement, composition or comparable proceeding, or if such a proceeding is instituted against that party and not dismissed within sixty (60) days.

8.3. Additional Termination Rights. Company may terminate this Agreement at any time in its sole discretion upon thirty (30) days' notice to Client.

8.4. **Early Termination.** If Client terminates the Agreement prior to the expiration of the applicable Order Form, or Company terminates for material breach, then Client shall forfeit all pre-paid amounts for Fees, and for those arrangements in which the Fees are not paid in advance, Client shall pay Company an amount equal to the monthly Fee multiplied by the number of months remaining in the Term.

8.5. **Effect of Termination.** Upon termination or expiration of this Agreement or Order Forms for any reason, Client's access to the Services will cease, other than limited use of the Services to export Client Data. Client will immediately return any Documentation in its possession to Company. Upon termination or expiration of this Agreement, the Client will return or destroy all of Company's Confidential Information within its possession, custody, or control and will certify such destruction to Company upon request. Client Data and other Confidential Information may be retained subject to the receiving party's retention practices until such information is scheduled to be deleted in accordance with the receiving party's policies and procedures, but will remain subject to this Agreement's confidentiality restrictions until deleted.

8.6. **Survival.** Any provision of this Agreement which contemplates performance or observance subsequent to its termination or expiration, either explicitly or by its nature, shall continue in full force and effect.

9. LIMITED WARRANTY AND DISCLAIMER.

9.1. **Limited Warranty.** Client and Company warrant that each party has the corporate power and authority to enter into and carry out the terms of the Agreement. Company further warrants to Client that: (a) the Services will perform materially as described in the Documentation; (b) Company will perform any Services in a professional and workmanlike manner; and (c) Company will use industry-standard measures designed to ensure that the Services (excluding Client Data) does not contain viruses, malware or similar harmful code.

9.2. **Warranty Remedy.** If Company breaches this Section and Client makes a reasonably detailed warranty claim within thirty (30) days of discovering the issue, then Company will use reasonable efforts to correct the non-conformity. If Company determines such remedy to be impracticable, either party may terminate the affected Order Form as it relates to the non-conforming Services. Company will then refund Client any pre-paid, unused amounts for Fees for the terminated portion of the Services. These procedures are Client's exclusive remedy and Company's entire liability for breach of this Section. These warranties do not apply to (i) issues caused by misuse or unauthorized modifications by Client or its authorized users, or (ii) issues in or caused by Third-Party Providers or other third-party systems.

9.3. **Warranty Disclaimer.** EXCEPT AS STATED AND EXPRESSLY PROVIDED IN THE WARRANTY SECTION ABOVE, THE SERVICES, THE DOCUMENTATION, AND ANY PROFESSIONAL SERVICES DELIVERABLES PROVIDED BY COMPANY UNDER THIS AGREEMENT ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, COMPANY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, LEGAL, OR OTHERWISE, WITH RESPECT TO THE SERVICES, THE DOCUMENTATION AND ANY PROFESSIONAL SERVICES DELIVERABLES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, QUALITY, DURABILITY, TITLE, NON-INFRINGEMENT, FITNESS FOR A

PARTICULAR PURPOSE, TITLE, COMPLETENESS, ACCURACY, OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE. COMPANY EXPRESSLY DISCLAIMS THAT CLIENT'S USE OF THE SERVICES, OR PROFESSIONAL SERVICES DELIVERABLES WILL BE UNINTERRUPTED OR ERROR-FREE, WILL MEET CLIENT'S PARTICULAR REQUIREMENTS, THAT DEFECTS IN THE SERVICES, IF ANY, WILL BE CORRECTED; OR THAT RESULTS WILL BE TIMELY, ACCURATE, ADEQUATE OR COMPLETE OR THAT IT WILL MAINTAIN CLIENT DATA WITHOUT LOSS. COMPANY DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES ABOUT THE SECURITY AND PROTECTION OF CLIENT DATA NOR GUARANTEE DATA AVAILABILITY. CLIENT BEARS THE SOLE RESPONSIBILITY AND LIABILITY FOR MAINTAINING BACKUP AND ARCHIVE COPIES OF CLIENT DATA. COMPANY DOES NOT WARRANT OR REPRESENT THAT USE OF THE SERVICES WILL RESULT IN COMPLIANCE WITH ANY APPLICABLE LAWS OR REGULATIONS, AND CLIENT UNDERSTANDS THAT IT IS SOLELY RESPONSIBLE FOR ENSURING COMPLIANCE WITH ANY AND ALL APPLICABLE LAWS AND REGULATIONS. COMPANY IS NOT LIABLE FOR DELAYS, FAILURES OR PROBLEMS INHERENT IN USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS OR OTHER SYSTEMS OUTSIDE COMPANY'S CONTROL, INCLUDING THE FAILURE TO PROMPTLY IMPLEMENT THE LATEST RELEASE OF THE SERVICES BY OR AT THE DIRECTION OF CLIENT. CLIENT MAY HAVE OTHER STATUTORY RIGHTS, BUT ANY STATUTORILY REQUIRED WARRANTIES WILL BE LIMITED TO THE SHORTEST LEGALLY PERMITTED PERIOD. CLIENT ALONE IS RESPONSIBLE FOR ANY THIRD-PARTY CONTENT, AND COMMUNICATIONS, MESSAGES, OR OTHER CONTENT THAT ITS AUTHORIZED USERS' POST, UPLOAD, SUBMIT, TRANSMIT, OR SHARE VIA THE SERVICES, OR THE PROFESSIONAL SERVICES DELIVERABLES, INCLUDING ALL CLIENT DATA.

10. LIMITATION OF LIABILITY.

10.1. UNDER NO CIRCUMSTANCES WILL COMPANY BE LIABLE TO CLIENT OR ANY THIRD PARTY WITH RESPECT TO ITS OBLIGATIONS UNDER THIS AGREEMENT OR OTHERWISE FOR ANY LOST PROFITS, LOSS OF DATA, LOSS OF USE, WORK STOPPAGE, OR CONSEQUENTIAL, EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED, EVEN IF COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FOR THE AVOIDANCE OF DOUBT, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY DAMAGES RESULTING FROM LOSS OF DATA, LOST PROFITS, LOSS OF USE OF EQUIPMENT, LOSS OF REPUTATION, OR LOST CONTRACTS, OR FOR COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS BY CLIENT.

10.2. TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, COMPANY'S ENTIRE AGGREGATE LIABILITY, AND CLIENT'S SOLE AND EXCLUSIVE REMEDY, FOR ANY CLAIM OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN THE PARTIES SHALL NOT EXCEED THE LESSER OF (1) TEN THOUSAND US DOLLARS (\$10,000.00), OR (2) TOTAL FEES PAID OR PAYABLE BY CLIENT TO COMPANY, PURSUANT TO THE APPLICABLE ORDER FORM IN THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM OR CAUSE OF ACTION.

10.3. The waivers and limitations in this Section apply regardless of the form of action, whether in contract, tort (including negligence), strict liability or otherwise and will survive and apply even if any limited remedy in this Agreement fails of its essential purpose. Neither party may bring a claim or action, regardless of form, arising out of the Agreement more than twelve (12) months after the claim or cause of action arose.

11. INDEMNIFICATION.

11.1. **Company Indemnification.** Company will indemnify, defend, and hold harmless Client and its officers, directors, agents and employees from and against any third-party claims (including any and all liabilities, damages, losses, costs and expenses and reasonable attorneys' fees) ("Claims") finally awarded to the extent such Claims directly arise from Company's provision of the Services infringing on a third-party's intellectual property rights in the United States.

11.2. **Client Indemnification.** Client will indemnify, defend, and hold harmless Company, its affiliates and their respective officers, directors, agents and employees from and against any and all third-party Claims to the extent such Claims arise from or relate to (1) Client Data or Third Party Content; (2) Client's breach of the Agreement or Order Form; (3) Client's gross negligence or willful misconduct; (4) modification to the Services or any deliverables made by or at the direction of Client and designed solely in accordance with specifications provided by Client; (5) Client's violation of applicable law; and/or (6) Client's infringement of intellectual property rights of a third party.

11.3. **Indemnification Procedure.** When seeking indemnification pursuant to this Agreement, the party seeking indemnification shall (1) promptly notify the indemnifying party in writing of the Claim provided that any failure or delay to provide such notice shall not affect a party's obligation to indemnify to the extent the indemnifying party is materially prejudiced by such failure or delay (2) give the indemnifying party reasonable information and cooperation required to defend such suit, claim or proceeding, and (3) allow the indemnifying party to control the defense of any such Claim and all negotiations for its settlement or compromise; provided, however, the indemnifying party shall not settle any claim without the indemnified party's prior written consent, which shall not be unreasonably withheld or delayed. The indemnified party may be represented in the defense of any such claim, at the indemnified party's expense, by counsel of its selection. The indemnified party shall have no liability for settlements made or costs incurred without its consent. The absence of insurance shall not diminish any responsibility of either party's obligation to indemnify under the Agreement.

11.4. **Mitigations and Exceptions.** In response to an actual or potential infringement Claim, Company may at its option: (a) procure rights for Client's continued use of the Services, (b) replace or modify the allegedly infringing portion of the Services to avoid infringement without reducing the Services' overall functionality, or if options (a) and (b) are not commercially practicable, (c) terminate the affected Order Form and refund to Client any prepaid, unused amounts for Fees for the terminated portion of the Services.

11.5. **Conditions.** Company shall have no obligation or otherwise (including no indemnification obligations) with respect to any infringement or misappropriation Claims arising out of or resulting from (1) Client's modification of the Services or use of the Services in combination with any products, equipment, software, data, Third Party Content, or any content not provided by Company (2) Client's use

of the Services other than the most recent release, (3) Client's unauthorized or non-compliant use of the Services, or (4) if Client settles or makes any admissions about a claim without Company's prior written consent.

11.6. **Exclusive remedy.** This Section sets out Client's exclusive remedy and Company's entire liability regarding infringement of third-party intellectual property rights.

12. CONFIDENTIALITY.

12.1. **Confidential Information.** Except as expressly provided herein, the parties agree that the receiving party shall not publish or otherwise disclose and shall not use for any purpose any non-public information about the disclosing party's business or activities that is proprietary and confidential that is furnished to it by the disclosing party pursuant to the Agreement which (i) if disclosed in tangible form is marked "Confidential" or with other similar designation to indicate its confidential or proprietary nature, or (ii) if disclosed orally is indicated orally to be confidential or proprietary by the disclosing party at the time of such disclosure, or (iii) is confirmed in writing as confidential or proprietary by the disclosing party within a reasonable time after such disclosure, or (iv) by its nature or the circumstances surrounding its disclosure should reasonably be regarded as confidential (collectively, "Confidential Information"). Notwithstanding the foregoing, Confidential Information shall not include information that, in each case as demonstrated by written documentation: (i) was properly in receiving party's possession or properly known by it, without restriction, prior to receipt from the disclosing party; (ii) was rightfully disclosed to receiving party by a third party without restriction; (iii) is, or becomes generally available to the public or otherwise part of the public domain, other than through any act or omission of the receiving party (or any subsidiary, agent or employee of the receiving party) in breach of the Agreement; (iv) was independently developed by the receiving party without reference to or use of any Confidential Information disclosed by the disclosing party; or (v) is approved in writing by the disclosing party for release.

12.2. **Return of Confidential Information.** Upon termination of the Agreement for any reason or upon request of the disclosing party at any time, the receiving party will (i) promptly return to the disclosing party the original and all copies of all Confidential Information or, in lieu thereof, certify that all such Confidential Information has been destroyed; and (ii) destroy all notes and copies thereof made by receiving party containing any Confidential Information, provided that neither party shall be obligated to return or destroy Confidential Information to the extent necessary to fulfill its obligations and to enforce its rights under the Agreement or to the extent otherwise required by law, regulation, legal, regulatory or judicial process, rule or practice governing professionals or any internal compliance policy or procedure relating to the safeguarding or backup storage of data; provided that any such Confidential Information so not returned or destroyed shall remain subject to the confidentiality and use covenants contained herein, without regard to Term.

12.3. **Confidentiality and Non-Use.** As receiving party, each party will (a) hold in confidence and not disclose Confidential Information to third parties except as permitted in this Agreement, and (b) only use Confidential Information to fulfill its obligations and exercise its rights in this Agreement. The receiving party shall use reasonable care to protect the Confidential Information using at least the same degree of care the receiving party uses to protect its own Confidential Information of a similar nature, but in no event with less than reasonable care. The receiving party may disclose Confidential Information to its employees, agents, contractors and other representatives having a legitimate need to know (including, for Company the

subcontractors referenced herein), provided it remains responsible for their compliance with this Section and they are bound to confidentiality obligations no less protective than this Section.

12.4. Remedies. Each party agrees that unauthorized use or disclosure of Confidential Information may cause substantial harm for which money damages alone are an insufficient remedy. Each party may seek appropriate equitable relief, including an injunction (without the necessity of posting any bond or surety), in addition to other available remedies, for breach or threatened breach of this Section.

12.5. Permitted Disclosures.
